

# GIVE CREDIT WEEK

**24 - 30 NOVEMBER**

## Display screen locations

*Give Credit Week* celebrates the more than 77,000 staff and volunteers and nearly 750 organisations that make up South Australia's community service sector.

The names of participating organisations and their people are scrolling like film credits online at **Give Credit SA**.

From 24 to 30 November, segments of the credit roll will be extended to public screens at more than 60 sites across the state which will be seen by hundreds of thousands of South Australians.

The display period has also been extended at a number of locations.

This is your guide to when and where the credit roll will be displayed.

## Get involved

You can play a part in amplifying this celebration of our sector by:

- posting a selfie of yourself adjacent to one of the screens displaying the credit roll and adding a comment about what the work of the sector means to you
- sharing a SACOSS Facebook, LinkedIn or Instagram post about Give Credit
- emailing us your Give Credit photos at [givecredit@sacoss.org.au](mailto:givecredit@sacoss.org.au) so we can add them to our online gallery.

Please tag SACOSS and use the campaign hashtag #GiveCreditSA in your social media posts.

## Thank you

SACOSS and Volunteering SA&NT would like to thank all organisations and people who have supported *Give Credit*.

Together we are raising the profile of our sector, its people, and the vital work they do.

## More information

Visit the [Give Credit project page](#) on the SACOSS website.
